

## Executive Summary

I am a certified business economist with over 20 years of experience in finance. My strengths include IFRS, auditing, and consolidation. I support companies during transformation and restructuring, deliver reliable financial statements, and build strong finance teams.

I create clarity in complex topics, connect strategy with numbers, and turn insights into practical actions. I actively shape change and work closely with stakeholders.

As CFO and Head of Group Accounting/Controlling, I have led international finance teams, improved processes, and ensured accurate and timely reporting.
